**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I get my internet service through a small provider that has installed fiber optic cable throughout my area. I used to have DSL service through AT&T, but now I have a choice that's reliable and competitive. Please keep the internet on a level playing field and reject the monopolistic pressures from the large providers and say no to price hikes that will make my internet and phone service more expensive and less reliable.
